

Have You Attended Any Republican Meetings This Campaign?

If so, come and hear the other side as presented by Congressman AMOS J. CUMMINGS of New York and Hon. E. Y. BELL of New Jersey, on Saturday Evening, Nov. 5, at 8 o'clock, at Union Hall, State St., Bloomfield.

Our subject is "Equality Before the Law." If you are a Democrat come and hear reasons for the faith you hold.

Watessing Notes.

The third quarterly conference of the Watessing M. E. Church, held the past week, is a forcible reminder to the congregation of that church that the pastorate of the Rev. Elbert Clement is rapidly drawing to a close. This is Mr. Clement's fifth and last year at Watessing. The uncertainties involved in Annual Conference appointments make the matter one of great moment to the Watessing Church. In Pastor Clement they realize that they have a preacher above the ordinary allotment made to churches of their class. Judged from a professional standpoint Mr. Clement is the best preacher that has yet filled the pulpit of the church. He has all the fine attainments of the scholar combined with the superb gift of eloquence, and maintains the dignity of his position in a manner that has always commanded the profound respect of all, even of those not members of the church. These qualities are well known to and keenly appreciated by the congregation, and it is these facts that give rise to anxiety about the appointment of his successor. Under Mr. Clement's pastorate a movement for a new church has been started. There is no doubt that if he were with the congregation two years more they would worship in a new and imposing church edifice, but he will be compelled to leave the work in its infancy. He has put the forces in operation by which the necessary funds can be raised, and if he is succeeded by a man of equal courage and energy the work will be carried on successfully. With this work on their hands, the congregation will manifest the deepest interest in the appointments of the next Annual Conference.

The Rev. Dr. J. H. Egbert, of the Belleville Methodist Episcopal Church, delivered excellent sermons morning and evening last Sunday in the Second Church of Rahway, exchanging with Rev. T. C. Mayham.

The Rev. Elbert Clement will exchange pulpits with the Rev. Mr. Kimball of the Ferry M. E. Church to-morrow. A carriage containing Mrs. Benton, Mrs. Bennet, and the latter's little girl upset on Lawrence Street Saturday night. Fortunately none of the occupants of the vehicle was injured.

Dairyman Joseph Charles's horses ran away on Myrtle Avenue early Monday morning. No damage was done.

The Epworth League of the Watessing M. E. Church held a very pleasant social meeting on Monday night. It was an invitation affair, and the gathering was select, which added to the pleasure of the hour spent together.

St. Paul's Guild will give a pink tea early in December for the benefit of St. Paul's Church.

Ernest Pierson will spend the winter in Florida.

Joseph Lee has a contract to build a residence for a Mr. Gardner opposite West Point, on the Hudson.

Joseph W. Ellor is building a residence on Dodd Street. Joseph Lee has the contract.

The Watessing Library is to have a benefit November 16th, at which the Gerard-Thies "Evening of Song" will comprise the entertainment. This insures a delightful evening to our neighbors, and the old Bethel Presbyterian Church on Dodd Street, East Orange, should be crowded to the doors. Bloomfield endorses most highly this excellent concert party. Tickets are selling at the popular price of thirty-five cents.

Mrs. Creamer will lead the meeting next Sunday afternoon, at four o'clock, at the hall corner Dodd and Prospect Streets. The Loyal Temperance Legion responded this week and it is earnestly desired that there be a grand rally of its members next Wednesday afternoon at four o'clock sharp.

Let GEORGE WASHINGTON shoulder his "little hatchet" and retire. The hatchet is dull; and George needs rest.

The "cherry tree" took the edge off the hatchet.

A "FERRIS" Ham will take the edge off your appetite. There the simile ends. The hatchet will cut down no more cherry trees; but you will get on eating "FERRIS" DELICIOUS HAMS.—Advt.

Mrs. Harrison's Last Work.

A LOVING MEMORIAL TO BE SENT TO EVERY ONE OF OUR WOMEN READERS. Mrs. Harrison could not have left a more loving memorial to the women of America than the work she did for them before her last sickness. It is a magnificent work of art, a Bunch of Orchids, painted by her in the White House, from an orchid raised in the White House. It is lovingly dedicated to the mothers, wives, and daughters of America; and the reproductions are so perfect that last August, when a proof was submitted to Mrs. Harrison at Loon Lake for her approval, she thought it was her own original painting. DEMONSTRATION: Mrs. Harrison has the honor of being the medium through which these valuable pictures (12x15 inches) were presented to the women of America. They are not for sale; but we will send one to any mother, wife, or daughter who will enclose three two-cent stamps to pay for transportation, packing, etc. These exquisite memorials, bearing Mrs. Harrison's autograph and portrait, will soon be beyond price, and should be secured at once. Address DEMONSTRATION'S FAMILY MAGAZINE, 15 East 14th Street, New York.

All readers of the New York Recorder are respectfully asked to leave the coupons for the voting for a set of china at the Township Clerk's office in behalf of the thirteen-year-old boy who is trying to secure the prize for his mother. A very large and handsome residence is approaching completion on the southern end of Ridgewood Avenue. It is being erected by J. Cordly of East Orange.

Consumption Cured. An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple "vegetable" remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma, and all Throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellow-men. Actuated by this motive and a desire to relieve human suffering, I will send free of charge to all who desire it, this recipe, in German, French or English, with full directions for preparing and using.
